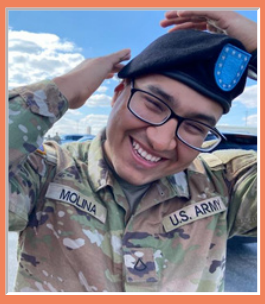
Connections Homes™

2023 Impact Report



CREATING LIFELONG CONNECTIONS:
Because everyone deserves to belong

Thanks to donors like you...

- Our Georgia branch distributed $30,000 in grants to youth, provided Career Connections training to 20 youth, provided enhanced training to staff and volunteers, and formed partnerships with businesses in cyber-security, fashion design, and automotive engineering.
- The Texas branch laid the groundwork for operations in San Antonio and Lubbock, and began building relationships with organizations like the Dallas Police Association and Barack Obama Academy for referrals.
- Tennessee's new Executive Director, Jamie McAfee, was asked to serve on the state Office for Faith-based Initiatives, specifically to lead the aging out initiatives. She has built critical partnerships in her first six months on the job.
- As our affiliate in Virginia marks its first full year in operation, they are proud that many of their youth celebrated exciting life events such as attending college, graduating from college, starting a new job, transitioning out of homelessness, moving into their first aparment and more.

Our impact is growing nationwide!

Every number represents a life forever changed...

By the Numbers	GA	TX	VA	TN	Total
2023: Youth Served (Matched & Supported)	70	14	51	0	135
2024: Youth Served (Matched & In-Process)	29	7	71	2	109

"At my lowest point, meeting my mentoring family through Connections Homes made it possible for me to return to school."
- Meagan

Celebrating Ten Years of Transformation on 6/1/24

340 matches curated and supported since 2014 representing **$19M in annual community savings** through the prevention of poverty and homelessness
